Dear Talbots' School on Wheels Supporters,

On behalf of the children and families we serve, I would like to express our deep appreciation for your support in helping the Harvard Business Extension School reach their ambitious goal of 400 backpacks in 4 weeks. We appreciate your contribution to the success of this very important project

School on Wheels provides backpacks filled with school supplies, books to build personal libraries, one-on-one tutoring and mentoring, parent workshops and school assistance for approximately 100 children every week. Our numbers have tripled in one year. This school year we have given out over 1000 books and 600 backpacks. Ultimately we help children gain educational consistency and confidence to find success in the classroom.

Our mission is to educate children impacted by homelessness by providing academic support and one-on-one mentoring so children can reach their full potential. Our volunteers, staff and donors are helping children turn obstacles into opportunities. Please check out our website at www.sowma.org to learn more about the amazing children we serve and how they are moving forward thanks to your support.

Together we can Educate Kids, Empower Families, End Homelessness.

Sincerely,

Cheryl Opper
Founder and Executive Director
